A BILL

To measure the progress of post-disaster recovery and efforts to address corruption, governance, rule of law, and media freedoms in Haiti.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Haiti Development,
5 Accountability, and Institutional Transparency Initiative
6 Act”.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) On January 12, 2010, a massive earth-
4 quake struck near the Haitian capital city of Port-
5 au-Prince, leaving at least 220,000 people dead, in-
6 cluding 103 United States citizens, 101 United Na-
7 tions personnel, and nearly 18 percent of the civil
8 service of Haiti, as well as approximately 300,000
9 injured, 115,000 homes destroyed, and 1,500,000
10 Haitians displaced.

11 (2) The international community, led by the
12 United States and the United Nations, mounted an
13 unprecedented humanitarian response to the earth-
14 quake in Haiti. Through 2018, more than
15 \$8,000,000,000 was disbursed by donors. Since the
16 2010 earthquake, the United States Government has
17 disbursed more than \$4,000,000,000 in recovery and
18 development funding.

19 (3) On October 4, 2016, Hurricane Matthew
20 struck southwestern Haiti on the Tiburon Peninsula,
21 causing widespread damage and flooding and leaving
22 approximately 1,400,000 people in need of imme-
23 diate assistance. Recovery efforts continue more
24 than 4 years later.

25 (4) Before the 2010 earthquake and 2016 hur-
26 ricane, Haiti registered among the lowest in socio-

1 economic indicators and had the second highest rate
2 of income disparity in the world, conditions that
3 have further complicated disaster recovery and resil-
4 ience efforts. As of November 2020, approximately
5 4,400,000 people are in need of humanitarian assist-
6 ance in Haiti.

7 (5) With assistance from the United States,
8 more than 30,000 jobs have been created since the
9 2010 earthquake, largely in the apparel industry at
10 the Caracol Industrial Park (in partnership with the
11 Inter-American Development Bank, the Government
12 of Haiti, and the private sector) in northern Haiti.

13 (6) Since 2018, tens of thousands of Haitians
14 have participated in popular demonstrations de-
15 manding accountability over government manage-
16 ment of Petrocaribe resources. In early 2019, the
17 superior court of auditors in Haiti released a series
18 of reports implicating high-level government officials
19 in the misappropriation of funds.

20 (7) The United Nations Office of the High
21 Commissioner for Human Rights and the Human
22 Rights Service jointly found a 333-percent increase
23 in human rights violations and abuses against the
24 rights of life and security in Haiti from July 2018
25 through December 2019. There were 131 violations

1 in 2018 and 567 violations in 2019, including the
2 shooting of at least 4 journalist covering the pro-
3 tests.

4 (8) Leading members of civil society have faced
5 attacks, including Monferrier Dorval, a constitutional
6 law expert and president of the Port-au-
7 Prince bar association who was killed on August 28,
8 2020.

9 (9) On November 13, 2018, according to the
10 Haitian National Human Rights Defense Network,
11 at least 71 people were shot and killed and 18 peo-
12 ple were raped in the neighborhood of La Saline in
13 Port-au-Prince.

14 (10) On December 10, 2020, the Office of For-
15 eign Assets Control of the Department of the Treas-
16 ury designated former Haitian National Police offi-
17 cer Jimmy Cherizier, former Director General of the
18 Ministry of the Interior Fednel Monchery, and
19 former Departmental Delegate Joseph Pierre Rich-
20 ard Duplan pursuant to Executive Order 13818 (50
21 U.S.C. 1701 note; relating to blocking the property
22 of persons involved in serious human rights abuse or
23 corruption) for being foreign persons responsible for
24 or complicit in, or having directly or indirectly en-

1 gaged in, serious human rights abuse for their con-
2 nection to the massacre in La Saline.

3 (11) Following the massacre in La Saline, simi-
4 lar attacks have occurred in other Port-au-Prince
5 neighborhoods, including the November 2019 and
6 August 2020 attacks in Bel Air, in which 24 people
7 were killed and hundreds of families were displaced.

8 (12) Parliamentary elections scheduled for Oc-
9 tober 2019 did not take place, and since January
10 13, 2020, President Jovenel Moïse has ruled by de-
11 cree. At least 5 decrees have been cited as increas-
12 ingly authoritarian by Haitian civic and political
13 leaders and the international community, includ-
14 ing—

15 (A) the October 30, 2020, decision to con-
16 stitute a 5-member group to draft a new con-
17 stitution;

18 (B) the November 6, 2020, decision to re-
19 duce the control of anticorruption entities such
20 as the Superior Court of Accounts and Admin-
21 istrative Litigation;

22 (C) the November 26, 2020, antiterrorism
23 decree that establishes sanctions applicable to
24 Haitian police officers not stopping demonstra-
25 tions;

(D) the November 26, 2020, creation of the National Intelligence Agency; and

(E) the February 11, 2021, appointment of 3 new judges to the Supreme Court of Haiti outside of constitutional procedures.

6 (13) Although there has been no parliament in
7 place since January 2020, the Government of Haiti
8 approved a budget on September 30, 2020, but the
9 delay prevented the International Monetary Fund
10 and other multilateral organizations from disbursing
11 millions in international assistance.

1 Moïse forced the retirement of 3 Supreme Court
2 judges, who were named as possible transitional
3 presidents by political opponents, and replaced them
4 with individuals he unilaterally selected.

5 **SEC. 3. STATEMENT OF POLICY.**
